BOX No Fee Amendment  
Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

This Amendment "A" is filed in response to the Office Action dated September 30, 2002.  
Please amend the above-identified application in the following manner.

IN THE CLAIMS:

Please cancel claims 6 to 21 without prejudice.

Please amend claims 1 and 5 in the following manner:

- A1  
sub B
1. (amended) An adjustable control pedal comprising, in combination:  
a pivotable upper arm having first and second guide slots and a drive slot formed therein;  
wherein the first and second guide slots and the drive slot are each straight;  
a lower arm having a lower end carrying a pedal and operatively connected to the upper  
arm for selected movement relative to the upper arm;  
a first pin secured to the lower arm and laterally extending into the first guide slot;
